IN MEMORIAM: STAN HURST 1931 - 2015

GOD' S SPEED STAN

Stan always helped with the annual Pumpkin Patch fundraiser when the Society sold pumpkins in conjunction with the Fillmore & Western Railway. He helped out SCRVRHS whenever and where ever he could with no complaints.

Among Stan's many Society contributions, he was a long time Car Attendant; Co-Director of the Railroad Visitor Center; and assisted each year with the annual Rail Festival. Not to mention the giving of his sage, and always rye advice.
